## Directions to the Parking Garage (arriving from the North)

- The entrance to our parking garage is not obvious from any of the major streets. It is in an alley running between the Westin Hotel and our building at 4401 Wilson Blvd.
- Heading west on Wilson Blvd and having passed the front door of 4401 Wilson Blvd, you will turn right on to North Glebe road and then an immediate right into the ally that leads to our parking. This ally runs between the Westin Hotel and our building.
- The entrance to the ally is just north of Wilson Blvd and Glebe Rd. It is just a few meters past the Wilson Blvd intersection. See the blue line on the street views. The entrance to our parking garage is on the right when coming this way.

## When You Arrive at the Parking Garage Door:

- The gate and door to the garage will most likely be down. Pull up to the parking ticket dispenser.
- Before taking a ticket, call us at **(703) 528-9101** to let us know you have arrived. When you take a ticket, the gate and door will open for you. **Please bring your parking ticket with you to our office as we validate.**
- Once inside the garage, keep taking right-hand turns down to Level 2. We have reserved parking on the second level on the right. If you do not see them, that's OK. There will be plenty of parking there take any spot not reserved.
- After you park take the elevator to the lobby and someone will meet there. Due to COVID restrictions the building locks the doors with access to the elevator. From there we will come up to our offices on the second floor.
- On your departure from us, we will provide parking validation.
- We are looking forward to your visit. Please call if you have any questions.
